Graduation Sunday was the 12th of May and we had a good turn out. I had all the students fill out a contact form for the Diocese for their college.

First Communion also went well. The group picture was crooked and Erin needs to speak to the photographer about this.

Adult Education opportunity this summer is the Catholicism DVD series on Wed. nights at 7pm and lead by Cheyenne Becker.

Disc Golf Tournament report: We had 17 players turn out. Had some great donations, we made around \$800 or so with donations leftover and also the fees from the players. We saved all the extra food for the Totus Tuus week.

The discussion was to have the Teen Dance for NCYC in early August after sports were done for the summer. Maybe August 10th or 17th. Kim Evert was going to follow up on this. Erin will call and speak to Rick Olson about the sign sales fund raiser. Another payment for NCYC is due at the end of June.

Totus Tuus volunteers are pretty well covered. We have had a few registrations. Erin is hopeful we will get more soon. Brenda and Kim E. requested an electronic copy of the Totus Tuus flyer that Tina had in the newsletter. Erin will get that and email it to them.

We will not meet in July but will meet Aug. 7th at 5:30pm in the rectory.
