	7:00pm – 8:00pm	Confirmation Parent/student meeting in the Church

The calender is done for the year and on the website.

Erin needs to get boxes ready for classes and is going to make a centralized box of supplies for each building.

Enrollment and catechist requests are in the bulletin soon and were in the August newsletter.

The PGC session for this fall was held Aug. 14th from 5:30-8:30pm.

We still need catechists for grades 4th, 5th, 8th, and one more for High School would be great.

Orientation for catechists is scheduled for August 21st at 7pm and the High School group will meet afterwards at 8pm. Erin will order books for PSR soon. She would like to order the YouCat and also a youth bible for the 7th and 8th grade class if it fits in the budget.

The Catechist ITV session in September in on 9/4 and 9/7. The menu for the 9/4 evening is sandwiches, chips, water, carrots, and tea. Erin will take care of this.

NCYC forms and final bills have been mailed out or soon will be. The final fund raiser will be Nov 1-3rd. Erin will talk to students during class one day to find out if they want to sell bierocks or hot pockets.

First class of PSR is on 9/11. It was discussed and decided that all families are invited to the Mass that starts at 7pm. Then afterwards everyone can go to the cafeteria for cookies and drinks. They can fill out enrollment forms, meet catechists, and kids can find their classrooms. Kim Lee and Cindy Studer will brink cookies and Becky Sweet will do the drinks.

Erin will find out what is required for teaching for the safe environment for PSR this year.

High School class curriculum was discussed. They will use Theology of the Body for Teens again this year. It was also talked about having a fall clean up day during PSR for the High School and parents to help some people of the parish with their yards. Also we discussed connecting the High School students with the sacramental students this year. Freshman/sophomore with 2nd graders and Jr/Sr with 8th graders. Prayer partners and maybe hang out together. Also it was discussed find out a contact at the red cross for possible disasters and having kids go help if the need came up. Also it was recommended to put in some current event nights and social nights for the HS class.

Our next meeting will be 9/11 at 5:45pm in the rectory.
